JEFFERSON PARK

HISTORIC NEIGHBORHOOD

web-site: jeffersonpark.info

It's been a year of new skills: Zoom meetings, masked shopping with fogged glasses, rediscovery of homemade cuisine, social distancing, eyeballing 6 feet, following arrows pasted on business floors, among many others. Neighbors helping neighbors let's review pre- and post Covid in Jefferson Park. Your neighborhood has been busy!

Jefferson Park Health and Heritage Trail – 2020 brings earth movers and construction after 4 years of neighborhood advocacy. The Grant Road project took 11 historic homes. JP lobbied to keep R-1 zoning and create a park.

Campbell Ave Entrance Signs

– funded entirely by residents and friends of Jefferson Park. Now two tile signs grace our entrance from Campbell Avenue.

75-110 foot Poles – all year and the year before we worked with TEP. We still do not know if they will be successful in marching these poles through our Historic District

Pandemic Plant Sale. Plant Sale was by appointment and masked. And guess what?-most profitable one we ever had.

Trash (weekly), Recycle (bi-monthly)

Trash is picked up on Mondays in the alleys. Recycle, blue bins, are picked up **every-other** Monday. The recycle bins must be rolled to the front curb. Do not leave bags or boxes next to receptacles—they will not be picked up. Be sure to pull the receptacles back on to your property after pick up. Roll-offs are delivered periodically and announced in the E-news. <https://www.tucsonaz.gov/es/residential-recycling>

Unruly Gatherings: What constitutes an “unruly gathering”? The ordinance defines it as “a gathering of five (5) or more persons on any private property (including property used to conduct business) in a manner which causes a disturbance of the quiet enjoyment of private or public property by any person or persons.”

This can be any time of day. Disturbances include and are generally, but not limited to, consumption of alcohol by minors, fighting, disturbing the peace, and littering. See the JPNA website:

www.jeffersonpark.info for more information. **ALERT-** New stricter procedure for TPD and UA

Caution! Parking in JP: There are “Permit Only” signs along many streets, with restricted parking. Most are M-F 8am -5pm. In addition to parking in the Permit Only zones, other parking violations include: parking too close to stop signs, parking the wrong way, and parking too close to the driveway curb cuts (must be 5’ from cut). Illegal parking in permitted zones should be called in to Park Tucson at **520-791-5071** or email: parktucson@tucsonaz.gov. City of Tucson Traffic Enforcement patrols our neighborhood on a regular basis, and issues citations.

Jefferson Park – Federal Historic District and NPZ Protecting and Preserving...

Building in Jefferson Park – Jefferson Park, in addition to being an historic district, is also a “Neighborhood Preservation Zone”, NPZ, which is an overlay zone giving our neighborhood special protections. Jefferson Park web-site gives a description of the process with the city and a way to contact the Jefferson Park Land Use committee who also reviews plans for compliance.
