

An entrance says, "Welcome"

*"We care about our homes"
Neighborhood Entrance Signs*

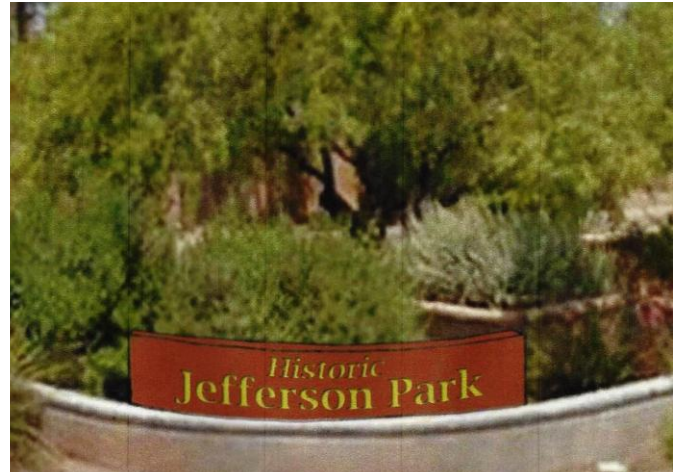

Friends of Jefferson Park, Inc is seeking donations from neighbors and business friends.

The Friends, incorporated in 2009, has:

- raised funds for the Historic Nomination (38K),
- raised funds for the blue street signs (5K),
- created Jefferson Park's first little free library (all materials donated) ,
- supported Lend a Hand program for seniors
- and, in 2019, raised funds for the Cherry /Linden Traffic Circle (3K).

All projects were made possible through generous donations from neighbors and the Tucson community.

Friends is the neighborhood non-profit 501(c) 3 organization. Tax deductible donations may be made to Friends for various projects that protect the historical integrity of the neighborhood and contribute to the well-being of the community.

One Possible Design

Treehouse Designs, Inc, has suggested one possibility, above. Volunteers are working with the City of Tucson, contractors, and designers for the cost to manufacture, cost of permits, permission to use right-of-ways, etc.

One entrance sign has been estimated at \$3,000. All work must be completed by City of Tucson approved contractors and according to City of Tucson specs.
