

An entrance says, "Welcome"

"We care about our homes"

Gateway signs at Campbell Ave Entrances

Friends of Jefferson Park is seeking donations from neighbors and business friends.

The Friends, incorporated in 2009, has:

- funded the Historic Nomination (38K),
- funded the blue street signs (5K),
- created Jefferson Park's first little free library (all materials donated) ,
- supported Lend a Hand program for seniors
- and, in 2019, funded the Cherry /Linden Traffic Circle (3K).

All projects were made possible through generous donations from the community. Now it's time to fix our eastern entryways!

Friends is the neighborhood non-profit 501(c) 3 organization. Tax deductible donations may be made to Friends for various projects that protect the historical integrity of the neighborhood and contribute to the well-being of the community.

Gateway signs will be constructed out of 1/4 inch steel plate which has been rolled onto a curved form with the words "Historic Jefferson Park" water jet cut in Lucinda Bright font letters 12" high. The monument sign will be supported by 2" X 2" steel posts set in concrete about 2" above and behind the existing wall.

(Design by Treehouse Designs, Inc)

Estimated cost for four signs: \$12,225
